Internationalization

International Summer School. Launched in 2004 and held every year during June and July. It offers around 12 courses delivered in English by International renowned academics.

Exchange agreements. Over 40 specific exchange and double degree agreements for undergraduate and graduate students.

International weeks: They are short, tailor-made international programs offered to undergraduate and graduate students, held at UASM campus in Bogota and Cartagena. Participants are exposed to academic, cultural and business experiences.

Project and Research Development Office

Consulting and applied research projects in the fields of sustainability, innovation, entrepreneurship, strategy and corporate social responsibility for private and public organizations.

Housing for students and international visitors

Uniandes offers housing facilities for all members of its community. The recently opened Torre Séneca is a 26-storey building comprising 1, 2 and 4 bedroom apartments. Within the complex there are 7 study halls, entertainment rooms and different student services (gym, supermarket, study rooms, library, laundry and front desk).
